

O(d)e to Jonas

"... I write, I write, I write... I don't think about it at all, it doesn't matter in any way." Jonas Mekas

For 2 or more performers.

A sense of being lost, hopeless, eternally whirling.

Begin anywhere.

Read or/and play in any direction.

There may be a drone throughout. It may falter from time to time.

There will be moments, of any length, of silence in one or all parts.
